

Vivarium Orientation Form

Please fill out (printing clearly) and have the Animal Tech sign when you have completed your orientation.

I, _____, have met with the animal tech and completed the
(Print Name)
vivarium orientation on _____.
(Date)

- I have been made aware of the procedures and rules governing the vivarium and the animals.
- I have been instructed on the alarm procedures (by my lab and/or the animal tech) and I understand my PI will be charged if I accidentally set off the alarm.
- I will not work on the protocol (AUP) or have contact with the animals until I have been cleared by the vet's office.

(Student's signature)

(Animal tech's signature)

DHBM DHBEV DHPV DHSV DHNPV

(Print PI Name)

(AUP #)

Please note: By completing this orientation, you are not automatically cleared to start working on the protocol, in the vivarium or with the animals. You must wait until you receive a clearance email from the Office of the Campus Vet.

**Return completed form to Office of the Campus Veterinarian
University Office Building, Room 216 (upstairs)**
